"THEIR GLORY SHALL NOT BE BLOTTED OUT, AND THEIR NAME LIVETH TO ALL GENERATIONS."—*Ecclesiasticus XLIV., verses 13 and 14.*

THE MEMORIAL is situate on the North wall of Victoria Station Booking Hall, and is of bronze resting on a plain polished marble band of Connemara Marble, on which is engraved the following quotation taken from Ecclesiasticus XLIV., verses 13 and 14: "Their glory shall not be blotted out, and their name liveth to all generations."

This marble band rests on a base of rusticated grey Cornish granite, which is surmounted by a polished and moulded plinth of the same material, the total dimensions of the whole being 32 feet long by eight feet high. The bronze memorial or tablet is 29 feet long by 4 feet 9 inches high, and weighs over two tons. This tablet is arranged in seven panels on which are placed the names, 1,465 in all, of the men who sacrificed their lives in the Great War. These panels are surrounded by frames of Laurel Leaf and surmounted by the Coat of Arms of various towns in Lancashire and Yorkshire. At each end of the Memorial are symbolical figures of St. George and St. Michael, flanked by pilasters on which are torches depicting Courage, Sacrifice, Unity, Strength, above which are ornamented consoles carrying the arms of Lancashire, Yorkshire, Manchester and Leeds, the whole being surmounted by a bold cornice, beneath which, in simple refined lettering, is the inscription.

THIS TABLET IS ERECTED TO PERPETUATE THE MEMORY OF THE MEN OF THE LANCASHIRE AND YORKSHIRE RAILWAY WHOSE NAMES ARE HERE RECORDED, AND WHO GAVE THEIR LIVES FOR THEIR KING AND COUNTRY IN THE GREAT WAR 1914-1919

The Coats of Arms on the keys over each Panel reading from the left are of Liverpool, Bolton, Preston, Bury, Halifax, Huddersfield, and Bradford. There are 1,465 names on the Panels.

The Memorial is from the design prepared by Mr. HENRY SHELMERDINE, F.S.I., formerly Architect to the Lancashire and Yorkshire Railway Company.
